Registration Fee: There is a \$100 non-refundable registration fee due at the time of this application. Please initial here to indicate that you understand that the registration fee is non-refundable for any reason:

Tuition Fee: Admittance will not be allowed until full payment is received. A student's place is fully secured when the admission application and agreement as well as all applicable fees and deposits are on file at the School. The fees set forth herein will be in effect until a new agreement or a written notice of termination with 30 days' notice is submitted (see below for more information about the 30-day termination notice that must be submitted in writing). When 30 days' notice is submitted, this contract will be in effect until the final day and hour of a child's enrollment.

Please initial here to indicate that you understand and agree to abide by the above statement: _____

Late Payments: An account is considered delinquent if tuition is not paid within the first week of the month for which tuition is due. To terminate this agreement a written notice must be handed in to the Director 30 days prior to your child's last day to be considered effective. The final day will be 30 days *after* receipt (the date that the document is handed to the Director or Teacher or the postmark date of a mailed notification) of said notice. This contract remains in effect during the 30 days after the written notice of withdrawal or termination is provided. Upon 30-day written notice your security deposit will be applied toward your child's final month of care. You are responsible for the final month of tuition if you choose to leave without providing the 30-day written notice or prior to the 30 days being reached.
