

Our Unique Curriculum

- A balanced literacy approach to reading
- Theme-based social studies curriculum
- S.T.E.A.M. educational approach
- Independent learning and fun from books and dramatic play.
- Hands-on approach to learning by using manipulatives, books, songs, games, toys, puppets, etc.
- 5 extra-curricular program specials

"The facility is absolutely beautiful and clean, and I LOVE that my daughter eats well, being that they serve organic and healthy food!"

Joy Marie

"Any concerns are addressed immediately and always treated with importance no matter how small they may be"

Jenn V.

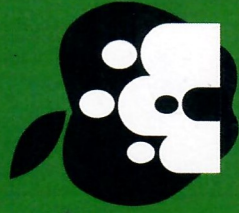

How We Are Different

ESDS is your child's school and also his or her home away from home. This is why we strive to create a warm, home-like atmosphere. We use green cleaning products and our meals are organic or all natural.

Our Mission

We pledge our commitment and excellence as we employ just the right combination of guidance, support and gentle challenges as we ready your child for kindergarten.

"The core staff is amazing and extremely knowledgeable. The children learn so much so fast it blows your mind."

Karen D.
